*Advanced sale tickets available at commuter pass offices located within Tokyo Metro stations. Tickets for same-day use are available at Tokyo Metro automatic ticket vending machines.

This map has been folded using a technique called "miura-ori", a technology patented by a company in Tokyo. Not only can paper be folded into a compact size but easy, one-touch unfolding is also possible by pulling the front or back side "miura-ori" has also been applied in space technology for use in satellite panels and other structures, where weight and size are extremely limited and simple structures are necessary to ensure reliability.
